

October 2016

# Section 4 on Thursdays

Sebah Al-Ali  
[sebah-alali.com](http://sebah-alali.com)

Let's put you in the  
mood

# Video activity

- 4 stages
- Using your iPads, your iPhones, or any other uncool device.
- The process is as important as the product.

# Stage 1: Tools

a piece of  
paper

a pencil

# Stage 1: Instructions

- You're going to interview your colleague.
- Write 3 questions about today's event.
- Avoid yes/no questions.
- You have 2 minutes.

# Stage 2: Tools

Camera app

# Stage 2: Instructions

- Take your questions and look for people to interview.
- Don't forget to introduce yourself first and ask if they do not mind being interviewed.
- Don't forget to ask for their permission to be recorded. Try to be creative if they don't want to appear in your video.
- Your interview should be 2 minutes long. Interview as many people as needed.
- You have 10 minutes.

# Stage 3: Tools

iPhones

OR

iMovie

Splice

OR

Other

OR

Videoshop

AndroVid

# Stage 3: Create your video

- A title slide
  - a title
  - your name
  - the date
- Your questions
- The interviews

# Stage 4: Voting!

## HER NAME:

What did you **like the most** about the video?

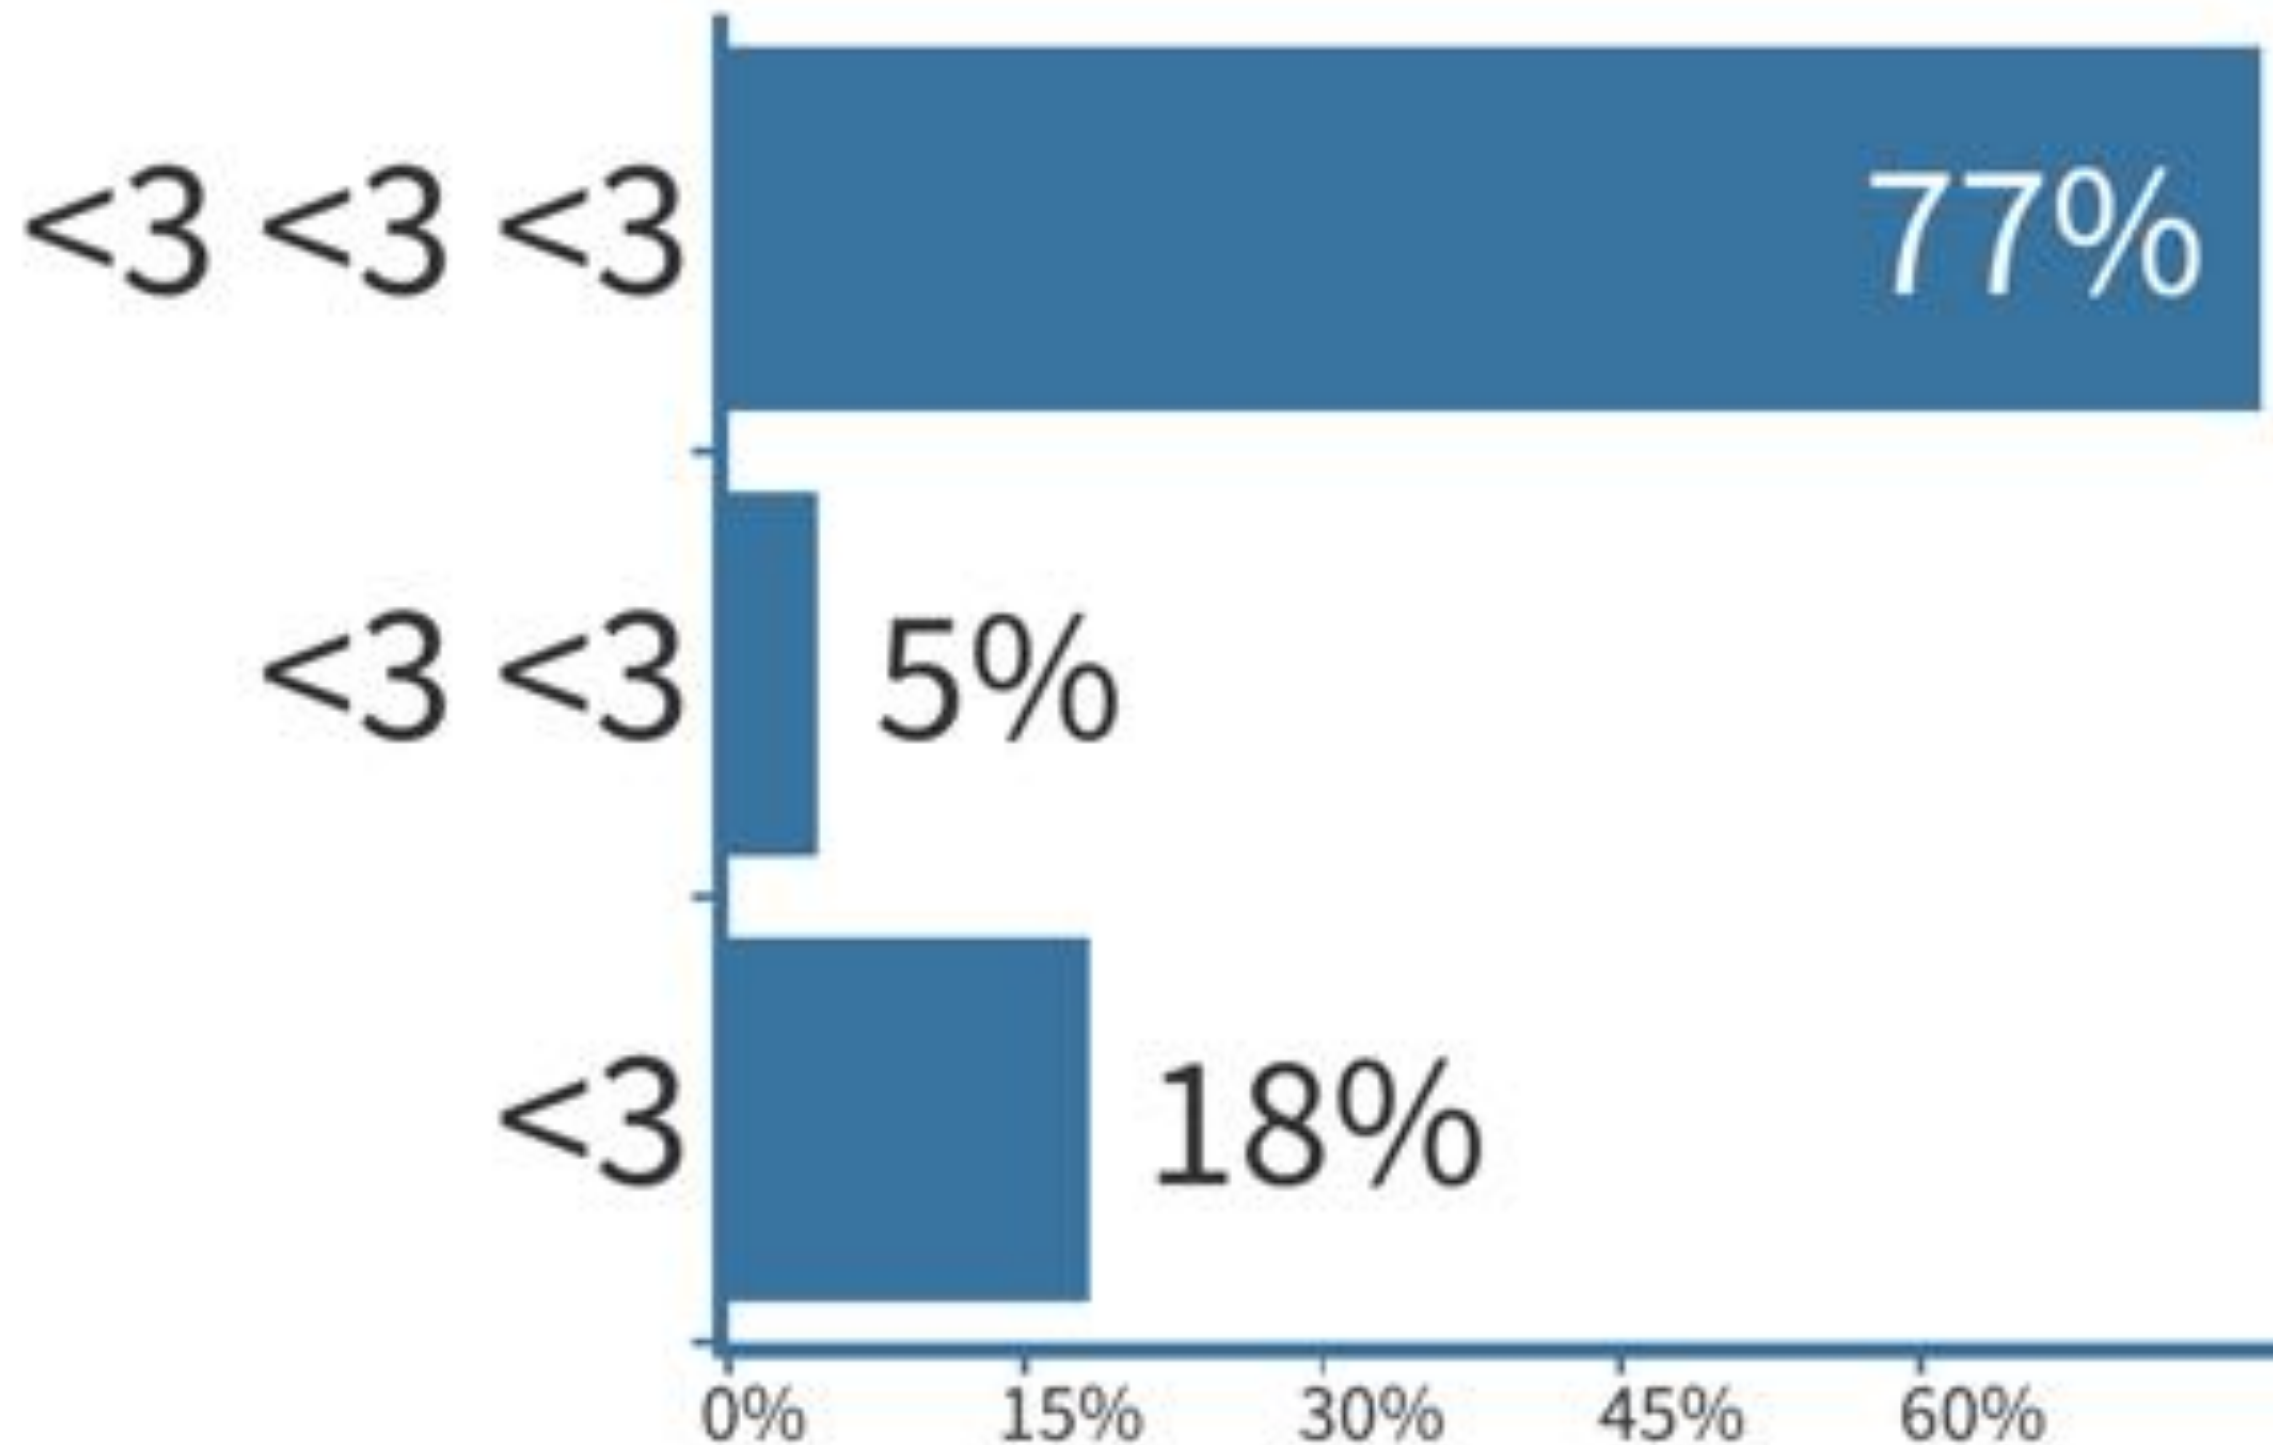

How can she make the video **better**?

## Video 8

When poll is active, respond at **PollEv.com/sebahalali**

Text **SEBAHALALI** to **+61 429 883 481** once to join

# Complaints

# Complaints?

- “I can’t think of any questions.”
- “My friends are in class.”
- “I can’t ask strangers.”
- “I don’t know how to use the app.” 🥲

# What went well?

# What went well?

- Students were **truly motivated!**
- They **loved the idea.**
- They got **creative!**
- They got **competitive!**
- The three hour class became **bearable!**

# How can it be improved?

# What can be improved?

- No teachers next time!
- The voting system
  - was too much, a bit boring.
  - Some were not honest or fair.
- Results should be shared immediately.
- Have students come up and **play/present**?

What do *you* think?

# Thank you!
